Jasper County Board of Health Minutes

Date of Meeting: Thursday, May 12, 2022 Time of Meeting: 11:00 AM

Location of Meeting: Jasper County EOC, 1030 W 2nd St S, Newton, Iowa 50208

Item 1: Roll Call: Board of Health Members: Present: Margot Voshell, Mike Balmer, Donna Akins, Dr. Cope
Not present: Julie Smith. Employees: Becky Pryor, Melissa Gary, Kristina Winfield
Environmental Health - Kevin Luetters, Jamie Elam; Newton News, Jamee Pierson (via Zoom)

Item 2: Approval of the Agenda. **Motion to approve by Dr. Cope, second by Mike Balmer, motion passed unanimously.**

Item 3: Approval of Minutes for March 10, 2022 **Motion to approve made by Dr. Cope, second by Donna Akins, motion passed unanimously.**

Item 4: Other Outside Agency Reports:

1.) Environmental Health report: Kevin Luetters/Jamie Elam from Community Development present. (Attachment 1 page) Septic inspections have started. The numbers are a little slower than in previous years due to the rain, but they are picking up. Jamie completed the 3 commercial septic pumper inspections for Jasper County. Kevin has helped submit 26 applications for the Water Infrastructure Grant. He helped submitted 26 applications which is one of the most in the state and 10 have been approved so far. He is optimistic the other 16 will be approved also. With the wind, there have been more nuisance complaints of trash in farmers' fields and dogs running loose. They have been working with the Supervisors and the County Attorney to clean up the rural areas of the county.

2.) WIC: March report for WIC: Sierra Stevens, MICA - not present (Attachment 4 pages)

Public Health is still having discussions with MICA on ways to collaborate services and better service families in Jasper County.

3.) I-smile: 2nd quarter FY22 report, Melissa Woodhouse - not present (Attachment 3 pages)

Marion County has been able to provide more dental screening in Jasper County schools with the ease of COVID restrictions. With the IDPH region change, MICA has applied for the Maternal and Child Health grant to serve Jasper County.

Item 5: Community Health Assessment and Improvement Plan 2022 (CHA/CHIP) - information only (Becky)

1.) Top unmet needs in Jasper County (Attachment 1 page)

Mental Health, substance abuse, Own Your Health, homelessness, and childcare are the top 5 needs.

2.) Next steps: community health improvement plans are in progress.

A meeting was held on Tuesday to bring the health improvement plan and the best way to proceed with the most impact in Jasper County. The group has a lot of different ideas to assist the needs, such as preventive health, wellness clinics, and information from CICS on the 988 number for mental health/suicide prevention.

Item 6: Budget Hearings update for FY22 & FY23 – Approved 03/29/2022 - information only (Becky)

1.) Final FY22 budget was approved as presented with the COVID technology grant

2.) Final FY23 budget approval, \$478,550, reduced by \$1,200 mileage, \$2000 auto, \$1,500 furniture

Item 7: State of Iowa Grants (Action Item) (Becky)

1.) IDNR for Commercial Septic Pumpers Inspection Contract 22ESDWQBTGROT-0002-50

Some changes have been made to this grant. IDNR is requiring notification on violations and more follow up documentation. The IDNR will have to confirm any violations are resolved before the pumpers will be given a license next year. Kevin and Jamie will be working with the pumpers more this year to make sure they understand the changes for next year. The inspections will remain the same.

2.) IDPH for Local Public Health Services Grant FY23 #448626 - \$86,545. Starting in FY 23 IDPH has restructured this grant with concentration on Community Health, rather than direct services.

3.) IDPH for Immunization Grant FY23 #454275 - \$11,200

Mostly used for school/daycare audits, VFC immunizations and, county flu clinics

Motion to approve all 3 State of Iowa grants for FY23 (listed above in item 7, 1-3) made by Mike Balmer, second by Dr. Cope, motion passed unanimously.

Item 8: Technology grant - CADE COVID for IT upgrades and Confinement (Action for items 1-9) (Becky)

Time frame is to be complete by 7/1/2022 for budget year FY 22 which ends 6/30/2022. May carry over to FY23. Tentative move date is around 6/13/2022. Tight turnaround time. All approved expenses paid 100% with tech grant. Working with the Sheriff, IT, and Maintenance Departments.

Update for the technology and confinement grant:

1.) IDPH implementation/work plan (Attachment 7 pages)

2.) IDPH contract amendment #15 – Contract 5885BT450 updates (Attachment 2 pages)

3.) SCI communications (Attachment 3 pages)

- Need big enough to cover the window and will connect with Control 4 system.

Motion to approve all the COVID technology grant work plan, amendment, bids, and purchases (indicated in #1-10) made by Dr. Cope, second by Donna Akins, motion passed unanimously.

Jasper County Health Department Agency Report:

- Administrative updates: (Becky Pryor):
 - Fiscal report, FY 22 LPHS, Immunization, COVID response and PHEP grants have been completed for our county. PHEP funds still available for our region.
 - COVID equity marketing funds and COVID technology funds still need to be utilized.
 - Public Health Emergency Preparedness drill is being planned with Lynn Royer to be held on June 2 for mass casualty tabletop drill with hospital, 6 LTC, clinics, EMS, EMA, law enforcement, Progress Industries, Capstone, Optimae, etc.
- Health Department Assistant's report (Melissa Gary):
 - Homecare reimbursement: March's total hours were 40.5 total cost of \$1215.00. April's total hours were 35.25 total cost of \$1057.50. Cornerstone caregiving is admitting 2 more clients, with them there will be a total of 9 clients.
 - Inventory management: In the last couple of months, we have been inventorying the COVID Tech grant purchases. All equipment has been entered into Salamander System, tagged, and assigned to the departments and conference rooms.
 - SafeKids: On April 30, we participated in the YMCA's annual Healthy Kids Day Event. We gave out spring safety information along with other giveaways to 200+ people. May 4th was SafeKids Ride Your Bike to School Day. We wrote a SafeKids grant and received Bell bike helmets for the event. We worked with Officer Julie Britton and the Newton Police Department to hand out bike helmets, water bottles, and bike safety information to 22 kids at Berg Middle School. June will be a busy month for SafeKids. We are working with the YMCA on a swim and sun safety event at the Maytag pool. We are also partnering with Officer Britton again, to hold a bike rodeo and a car seat checkup event. Sleep sacks for safe sleep will go to Pregnancy Center.
- Public Health updates: (Kristina Winfield)
 - COVID update: According to the CDC, Jasper County is still in its low transmission area. There were 40 cases reported in March, 41 reported in April, and 40 reported in May so far, with a lot of at-home tests being used as well. It is unknown how many at-home tests have been taken.
 - Continuing to allocate COVID vaccine to clinics and pharmacies. There has been an increase in the need for vaccines with eligibility for another booster.
 - Becky and Kristina attended the Iowa Public Health Association Conference May 3-5.
 - Some increase in communicable diseases and immunizations.

Public input: none

Marion County Public Health's I-Smile™ program proudly provides preventive dental service to Appanoose, Clarke, Decatur, Jasper, Lucas, Marion, Monroe, Poweshiek, Ringgold and Wayne Counties!

→ I-Smile™ Early Childhood Fluoride Program

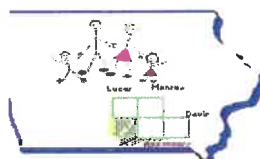

I-Smile™ Fluoride program serves all preschool and head start programs (Ages 2-5) in ten counties twice per school year, fall & spring. We provide a dental screening, fluoride varnish application and age-appropriate dental education.

Care coordination is provided to families when a child has suspected decay, a high-risk screening. Each child must have parental consent to participate.

Preschools, Head Start programs are served Sept-November and March-May.

I-Smile would like to thank all the ECI boards that support our program through generous grant funds and personal support all year long.

I-Smile™ partnered with JMP ECI to purchase puppets for our preschool fall presentation. Meet Pete & Polly. 😊 All the preschool and head start classes enjoyed the oral health education the I-Smile team did with Pete & Polly!

➔ I-Smile™ @ School Sealant Program

The I-Smile™ @ School Sealant Program serves eligible elementary schools (higher than 40% free & reduced lunch rate) in MCPH ten-county service area once per school year. The dental teams set up a mini-dental clinic and provide FREE preventive dental services. Dental screening, fluoride varnish applications, sealants applied if needed and individualized oral hygiene instruction. Each child must have parental consent to participate.

HCC HVA 2022-2023

What is a Hazard Vulnerability Assessment?

A Hazard Vulnerability Assessment (HVA) is a systematic approach to identifying hazards of risks that are most likely to have an impact on your healthcare facility and the surrounding community. This can include the demand for the facility to provide services or its ability to provide those services. HVA tools will put each hazard in perspective using categories such as probability, human impact, property and business impact and mitigation strategies. HVA's are evolving documents. Healthcare facilities conduct and/or annually review their HVA. The process should involve community partners, at a minimum the County Emergency Management Agency (EMA).

Purpose of the HVA:

Drive the focus of your Emergency Preparedness Program, plan development and updating and training for your organization

Goals of the Healthcare Coalition (HCC) HVA:

- assess and rank potential HCC threats or hazards,
- identify any potential HCC or system wide vulnerabilities or gaps,
- promote implementation of hazard mitigation strategies and plans,
- develop/update the HCC 5-year training and exercise plan,
- promote information sharing across the HCC about best practices related to threat preparedness.

How to conduct the HVA:

1. Assemble a multidisciplinary team – no silos – minimum of EMA.
2. Choose a tool and list out different hazards.
3. As a team, discuss the impacts and current mitigation of each hazard.
4. Document in the chosen tool.
5. Review and rank hazards using the data from the tool.
6. Discuss how your agency plans to address the identified hazards.

Tool used to complete your agency HVA: Other

Model Examples: [Kaiser Permanente](#)–[LMS](#)–[LA County](#) – Other

List your agency's top 10 hazard rankings based off of your last HVA:

- | | |
|---|-----------------------------------|
| 1. Pandemic/Epidemic/Outbreak | 6. Utility/Electrical Failure |
| 2. Inclement Weather | 7. IT Failure |
| 3. Staffing shortage and lack of training | 8. Communication Failure |
| 4. Patient Surge | 9. Human cause incidents/violence |
| 5. Supply shortage/lack of storage | 10. Mass casualty |
