Officer Training Liability Agreement

This Agreement is entered into by the County of Jasper, Iowa, hereinafter referred to as "the County" and **Andrew Carpenter**, hereinafter referred to as "the Employee".

THE INTENT OF THIS AGREEMENT IS TO PROVIDE FOR THE TRAINING OF THE EMPLOYEE AS A LAW ENFORCEMENT OFFICER, AND TO PROVIDE TO THE COUNTY IN RETURN FOR THE TRAINING. IT SHALL NOT BE CONSTRUED IN ANY WAY AS AN EMPLOYEE AGREEMENT WHICH WOULD CONFER A PROPERTY RIGHT OF INTEREST ON THE EMPLOYEE. THIS AGREEMENT IS NOT A GUARANTEE OF EMPLOYMENT NOR DOES THIS AGREEMENT REQUIRE RE-PAYMENT IF EMPLOYEE IS INVOLUNTARILY TERMINATED OR EMPLOYEE BECOMES DISABLED.

1) Total Training Expenses. The County and the Employee agree that the Employee will attend the Iowa Law Enforcement Academy "(the Academy)" at the expense of the County to receive certification as a Law Enforcement Officer in accordance with the Academy's training requirements. The County shall pay the expense of training, and shall pay the Employee's regular wages during the training. The Employee agrees to be responsible for reimbursing the County in accordance with the terms for reimbursement as stated hereafter in this agreement. The expenses, which the Employee agrees to reimburse, include the County's expenditure for the Employee's mileage, food, lodging, and tuition while attending the Academy. All of these reimbursable costs are referred to generally as "total training expenses." An estimate of the cost of the total training expenses set out above is listed on Exhibit "A" which is attached hereto and by this reference incorporated into this agreement. "Total training expense" will be based on the actual cost incurred by the County, as these costs become known.

2) Reimbursement: In the event the Employee resigns and is employed by another Law Enforcement Agency within four years following completion of certified training, the Employee shall reimburse the County for total training

expenses incurred per the following schedule. The amount of reimbursement shall be determined as follows:

- A). If the Employee resigns less than one year after being certified as a law enforcement officer, one hundred percent of the total training expenses.
- B). If the Employee resigns after one year or more but less than two years after being certified as a law enforcement officer, seventy-five percent of the total training expenses.
- C). If the Employee resigns two years or more but less than three years after being certified as a law enforcement officer, fifty percent of the total training expense.
- D). If the Employee resigns three years or more but less than four years after being certified as a law enforcement officer, twenty-five percent of the total training expenses.
- E). If the Employee resigns four or more years after being certified as a law enforcement officer, none of the total training expenses.

3) Payment Schedule: Payment of any training costs owed the County by the Employee shall be made in consecutive monthly payments in accordance with the following schedule:

<u>Minimum monthly payment</u>	<u>Annual percentage rate</u>
\$200	6%

The first payment shall be due thirty (30) days after the Employee's last day of employment, and on the same day each month thereafter. Interest shall commence the day after the Employee's last day of employment and shall be calculated on the unpaid principal balance to the date of each installment paid, with payments being credited first to accrued interest and then to the reduction of the principal.

4) This agreement may be amended or cancelled only upon written agreement of both the County and the Employee.

5) If reimbursement is not made in accordance with this agreement, the Employee understands that the County, at its option, may seek the Employee's

decertification as an Iowa Law Enforcement Officer, pursuant to Iowa Code 80B.11(7) (1997).

6) Purpose. This agreement is for the purpose of bona fide employment and not for the purpose of achieving certification for the officer by way of "sponsorship" through the Academy.
