If the owner fails to confine such animal in the manner directed, and animal shall be apprehended and impounded and after ten (10) days the animal will be euthanized. If there are no additional instances of the behavior described in Section 1.02 within a 36-month period from the date of designation as a potentially dangerous dog, the dog may be removed from the list of potentially dangerous dogs.

1.09 RIGHT TO KILL

The County reserves the right to euthanize any animal not under observation for rabies or under rabies quarantine for which no reasonable veterinary care would prove to be practical to sustain said animal, when said animal is afflicted with a contagious disease which would endanger the welfare of the other animals in the shelter, or any dog declared as vicious by Jasper County.

1.10 KEEPING OF VICIOUS DOGS AND DANGEROUS ANIMALS PROHIBITED

No person shall keep, shelter or harbor any animal as a pet, or act as a temporary custodian for such animal, or keep, shelter or harbor such animal for any other purpose or in any other capacity within the County except as provided in Section 1.11 of this chapter. Any dog that has been declared vicious by the Jasper County Animal Review Board will be euthanized within a timeframe set by the Review Board at the owner's expense. No dog declared as vicious shall be allowed to be taken out of or brought into Jasper County.

1.11 VICIOUS DOGS AND DANGEROUS ANIMAL EXCEPTIONS

The prohibition contained in Section 1.10 of this chapter shall not apply to the keeping of illegal animals in the following circumstances:

2. The keeping of illegal animals for exhibition to the public by a bona fide traveling circus, carnival, exhibit or show.
3. The keeping of illegal animals in a bona fide, licensed veterinary hospital for treatment.
4. The keeping of illegal animals by a wildlife rescue organization with appropriate permits from the Iowa Department of Natural Resources.
5. Dogs while utilized by any law enforcement officer in the performance of enforcement work.

1.12 ABATEMENT PROCEDURES PERTAINING TO VICIOUS DOGS AND DANGEROUS ANIMALS

If the County Agent has a reasonable suspicion that a dog is vicious, or a dangerous animal is in violation of this chapter, the County Agent shall conduct or cause to be conducted, an investigation. In the event that the County Agent has probable cause to believe that a dog is vicious, or a dangerous animal is in violation of this chapter, the County Agent shall be empowered to convene a hearing for the purpose of determining whether or not the dog in question should be declared vicious or the dangerous animal is in violation and constitutes a hazard.

If a hearing is to be convened, the County Agent shall notify the owner or keeper of the vicious dog or dangerous animal that a hearing will be held at which said owner or keeper may have the opportunity to present evidence why the dog or dangerous animal shall not be declared a hazard.

The hearing shall be held promptly within no less than five (5) days or more than ten (10) days after the service of notice upon the owner or keeper of the dog or dangerous animal. The hearing shall be informal and shall be open to the public.

The hearing shall be overseen by a three (3) person committee. Members of the committee shall have two-year appointments and the committee shall consist of one member being an employee from the Jasper County's Sheriffs Office, one member being a licensed veterinarian, and one member being a Jasper County resident.

After the hearing, the owner or keeper of the dog or alleged dangerous animal shall be notified in writing of the determination. If a determination is made that the dog is vicious or the dangerous animal is a hazard; the owner or keeper shall comply with the provisions of this chapter in accordance with a time schedule established by the County Agent, but in no case more than thirty (30) days subsequent to the date of determination. If the owner or keeper of the vicious dog or dangerous animal contests the determination, he or she may bring a petition in the district court within the judicial district wherein the dog or dangerous animal is kept, praying that the court conduct its own hearing on whether or not the dog be declared vicious or the dangerous animal be found to be in violation and a threat to the public safety. After service of notice upon the County Agent, the court shall conduct a hearing anew and make its determination as to alleged viciousness or hazard. The issue shall be decided upon the preponderance of the evidence.

If the court rules the dog to be vicious, or the dangerous animal to be a threat to the public safety, the court may establish a time schedule to ensure compliance with this chapter. The court may decide all issues for or against the owner or keeper of the dog or dangerous animal, regardless of the fact that said owner or keeper fails to appear at said hearing. The determination of the district court shall be final and conclusive upon all parties thereto. However, the County Agent shall have the right to declare a dog vicious or an animal dangerous for any subsequent actions of the dog or animal. In the event that the County Agent has probable cause to believe that the dog in question is vicious or the animal is dangerous and poses a threat of serious harm to human beings or domestic animals, the County Agent may seize and impound the dog or dangerous animal pending the aforesaid hearings. The owner or keeper of the dog or dangerous animal shall be liable to the County when the dog or dangerous animal is impounded for costs and expenses of keeping such dog or dangerous animal.

1.13 ANIMAL WELFARE AND CARE

4. If the animal is livestock, adequate access to a natural or constructed barrier sufficient to offer reasonable protection against temperature extremes, wind, rain, or snow.
5. If the animal is restricted in a confinement area for an extended period, the area shall be kept reasonably clean and free from contamination, including animal waste, which may threaten the health of the animal.
6. Veterinary or farrier care, if a reasonably prudent person would advise such care to relieve distress from injury, disease or neglect.
7. If the animal is a pet, a confinement area with adequate space for the exercise necessary to preserve the health of the animal and which provides a dry area for the animal to rest. The air temperature or ventilation in the confinement area shall be suitable to preserve the health of a normal animal of the same species.
8. If an animal is fastened by a leash, including a rope or chain, which restricts the movement of the animal, a leash shall be attached to the animal by a well-fitting collar or harness that is fastened to the animal in a manner designed to prevent injury or entanglement. A leash shall not restrict an animal from access to adequate shelter or sufficient food or water.

1.14 ANIMAL WELFARE COMPLAINTS

A.If a complaint is received about an animal's welfare or a neglect situation, the ACO will investigate following the Iowa Code Chapter 717 and 717B for guidance.

B. Following a complaint, the ACO will fill out a complaint form, documenting the caller contact information if available, and all steps taken to investigate and/or remediate the situation. The owner of the property and/or animal(s) of concern will then be contacted to ask permission to check on the welfare and condition of the animal(s). If given permission the ACO will observe the living conditions and requirements of the law for the species of concern.

C. If permission to investigate is denied by the owner, law enforcement will be contacted for procedure to gain admittance to investigate. If necessary, a search warrant may be requested by law enforcement from the county attorney. Further investigations from a search warrant will be done according to law and Chapter 717 and Chapter 717B.

1.15 FEES

The Jasper County Board of Supervisors will establish fees to be collected by Jasper County Animal Control for services necessary for carrying out provisions of this article.

1.16 SEVERABILITY

1.17 ENFORCEMENT

Any violations of any provision of this ordinance shall be enforced as a County infraction according to procedures established by law, as may from time to time be amended. Any person, firm or corporation violating any of the provisions of this ordinance commits a County infraction and shall, upon a finding that a violation has occurred, be made to pay a penalty fee equal to the maximum then allowed for County infraction under Iowa law for each infraction, including maximum enhanced penalties for any subsequent or continuing infraction(s).  Co-Buyer's Signature _____ Date of Birth _____
 Co-Buyer's Driver's License Off. I.D. No. & Soc. Sec. No. if different from Driver's License No. _____

In this contract, the words "we" and "our" refer to the dealer-seller. The words "your" refer to the buyer and the co-buyer, if any.

1. CASH SALE. You agree to buy the vehicle described on page one of this document for cash. This is not a credit sale and this document is not a credit document. If you obtain financing to purchase the vehicle, you will be required to sign documents which comply with applicable federal and state laws. If you obtain financing to purchase the vehicle, there will be a fee for filing the lien on the title. This fee may be paid to either the dealer or the lending institution from whom you obtain financing.

2. WARRANTY DISCLAIMER. *YOU UNDERSTAND THAT THE VEHICLE IS SOLD "AS IS" WITH ALL FAULTS AND THAT WE MAKE NO WARRANTY OF MERCHANTABILITY AND NO WARRANTY THAT THE VEHICLE IS FIT FOR ANY PARTICULAR PURPOSE,* unless we provide you with a written warranty or service contract within 90 days from the date of this contract. If we do so, any implied warranty will last only as long as the limit written warranty. This provision does not affect any warranties which may be provided by the vehicle manufacturer. If there is a manufacturer's warranty on the vehicle you are buying, we are not a party to it and it is not a part of this contract. The manufacturer's warranty is between you and the manufacturers.

3. YOUR FAILURE OR REFUSAL TO ACCEPT DELIVERY. If you refuse or fail to accept delivery of the purchased vehicle, we may keep your cash deposit as liquidated damages. If you had a trade-in, we may sell the trade-in and keep any part of the selling price which we need to reimburse us for losses which we incurred because you did not take delivery.

4. FAILURE OR DELAY OF DELIVERY. We are not liable for failure to deliver or delay in delivery of the purchased vehicle if the failure or delay is due, in whole or in part, to any cause beyond our control or without our fault or negligence. We are not liable to you for any consequential damages, damages to property, damage for loss of use, loss of time, loss of profits, or income or any other incidental damages arising out of the sale or use of the purchased vehicle.

5. DEALER'S REMEDIES. If you fail to perform all of the terms and conditions of this contract, we may exercise any right or remedy granted by law as well as the other remedies described in this contract.

6. ADDITIONAL DOCUMENTS. You agree to sign any other documents which are required to transfer title to the trade-in vehicle or the purchased vehicle, including odometer statements, damage disclosure

7. ATTORNEYS' FEES. If you default on this contract, you will pay us our costs and attorneys' fees and late charges in addition to our damages.

IF YOU HAVE A TRADE IN: If you are trading another vehicle as part of the price of the vehicle purchased, you agree to the following additional terms.

8. YOUR WARRANTY OF TITLE TO TRADE-IN. You must provide us with your vehicle title, correctly assigned to us. You promise the trade-in vehicle is your property free and clear of any liens or encumbrances except as noted on the front of this contract and that all taxes and registration fees, you will reimburse us upon demand. If we find out that you made and misrepresentation about the trade-in, then you will pay us three times our actual damages as a result of the misrepresentation, plus our costs of collection and attorneys' fees.

9. AMOUNT DUE ON TRADE-IN. The "Trade-in Balance Owed" on the front of this contract was provided by your lienholder. If the balance is incorrect due to the fault of the lienholder, the error will be treated as a mutual mistake of fact. In other words, if you owe more money on your trade-in, you will pay us the difference or you can rescind the contract by returning the vehicle. If you owe less, we will pay (or credit) you.

10. REAPPRAISAL OF TRADE-IN. If you do not deliver the trade-in to us until the purchased vehicle is delivered to you, then we may reappraise the trade-in at the time that you deliver it to us and the new appraisal will determine the allowance to be made on the vehicle purchased. If the reappraisal is lower than the original appraisal, you may cancel this contract provided you do so before you take delivery of the purchased vehicle and surrender the trade-in.

IF YOU ARE BUYING A NEW VEHICLE:

If you are buying a new vehicle, you agree to the following additional terms.

11. MANUFACTURER'S PRICE REVISION ON NEW VEHICLE. If you are buying a new vehicle which we do not have in stock at the time you order it and if the manufacturer changes our price of the vehicle model or body type you ordered between the time we signed this contract and the time we delivered the vehicle to you, we have the right to change the price to you. However, if you do not agree to the changed price, you may cancel this contract. If you cancel the contract, we will return your trade-in to you, if it has not already been sold so long as you pay for the cost of reasonable repairs and storage fees. If we have sold your trade-in, we will pay you the amount we received for the trade-in less a selling commission of 15%, and any expenses which we incurred in reconditioning, repairing, insuring, storing and selling the vehicle.

12. MANUFACTURER'S CHANGE OF THE MODEL AND BODY OF THE NEW VEHICLE. If you are buying a new vehicle and if the manufacturer changes (or discontinues) the model, design, chassis, accessories, body type or parts of the vehicle which you ordered, we will have no obligation to make the same or similar changes to the vehicle you ordered either before or after we deliver the vehicle to you.

DESCRIPTION: C3 De-escalation® targets a breakdown in the brain. Stress or anger– i.e. “losing it”– causes a physical short-circuit. Brain sections that handle self-restraint, reason and consequences essentially disconnect. This can result in outbursts of aggression, agitation or reckless behavior.

We’ve all experienced this to some degree. However, someone with mental health or addiction issues is more vulnerable, often with worse consequences.

C3 provides three groups of techniques to help the brain calm down and stabilize:

Calm:

Stress chemicals trigger the short-circuit. C3 provides ways to lower stress chemicals, giving circuits a chance to re-connect.

Example: Any large muscle action drops adrenaline. For instance, if you walk someone around or walk them up a flight of stairs, you’ll find they’re less agitated and less aggressive at the top of the stairs than at the bottom. It’s that fast. Just be sure they’re safe to walk up a flight of stairs.

Circuit:

Since parts of the brain disconnect, C3 provides ways to cue disconnected parts and jump-start the circuit.

Example: One disconnected part puts things into order. So ask simple sequence questions: “What happened first?” Then, “What happened next?” Other simple sequences are asking for an address or having them spell their own name. As you step them through the sequence, you’ll hear their voices calm down and their agitation lessen.

Connection:

Typically there’s a lead time before the actual explosion. If we notice the signs and intervene wisely, we can stop the explosion before it happens. C3 shows how to connect the dots: spot the pattern, head off the eruption.
