

June 23, 2026

Tuesday, June 23, 2026, the Jasper County Board of Supervisors met in special session at 1:00 p.m. for an employee evaluation with Supervisors Cupples, Talsma, and Nearmyer present and accounted for, Chairman Nearmyer presiding.

At the request of Engineer, Mike Frietsch, the Board entered into open session for an employee evaluation. The Board discussed re-grades and pull ups of roads going forward. Mike had a spreadsheet along with a color coded priority listing of roads on how they determine which roads will be part of the process each year. The Board expressed they would like the routine maintenance on gravel roads to improve rather than the workers in those territories being pulled to work on other projects.

Motion by Cupples, seconded by Nearmyer to adjourn the Tuesday, June 23, 2026, special meeting of the Jasper County Board of Supervisors.
