Neal Smith NWR (Jasper)

Thad Nearmyer
Chairman
Courthouse
101 1st St. N. · Room 203
Newton, IA 50208

Dear Chairman Nearmyer:

The U.S. Fish and Wildlife Service (Service) formally requests Jasper County's support for the acquisition of land and interests in land within the County using money from the Land and Water Conservation Fund (LWCF) in furtherance of the mission of the Service to work with others to conserve, protect, and enhance fish, wildlife, plants, and their habitats for the continuing benefit of the American people. These acquisitions will increase public hunting and recreational access opportunities in the County. Further, they will be open all year to other forms of outdoor recreation such as hiking, photography, and wildlife viewing.

The Van Pilsum family specifically chose the Iowa Natural Heritage Foundation (INHF) to purchase the land in hopes that one day it would be acquired by the US Fish and Wildlife Service as part of Neal Smith National Wildlife Refuge.

Before we request funding from the LWCF, we are seeking either *your written support, or the written support from a delegated authority*. Enclosed for your use is a Certificate of Approval for transmittal on County letterhead.

Your prompt response is appreciated. Please return the appropriate certificate to: Scott Gilje at Neal Smith National Wildlife Refuge, 9981 Pacific St, Prairie City, IA 50228. If you have any questions, please feel free to contact me at 515-994-3401 or scott_gilje@fws.gov.

Sincerely,

SCOTT GILJE

CERTIFICATE OF APPROVAL

I, Thad Nearmyer, Chairman, Board of Supervisors, on behalf of Jasper County, hereby grant approval to the United States of America, acting through the U.S. Fish and Wildlife Service, for the use of Land and Water Conservation Funds within the County for Federal Fiscal Year 2026 and future years. Jasper County approves and supports using Land and Water Conservation Funds, for this or any federal fiscal year, for acquisitions by the U.S. Fish and Wildlife Service in Jasper County.

July 7, 2026

Jasper County Board of Supervisors
101 1st St N #203
Newton, IA 50208

Dear Supervisors,

On behalf of the Friends of Neal Smith National Wildlife Refuge, we are writing to express our strong support for the proposed transfer of the former Van Pilsum property from the Iowa Natural Heritage Foundation to the U.S Fish & Wildlife Service for inclusion in the Neal Smith National Wildlife Refuge.

This property sits next to the main entrance road for the refuge and is highly visible to guests. The permanent protection of this land and its restoration as tallgrass prairie would greatly enhance the "welcome mat" that refuge visitors first encounter. Adding this parcel to the refuge will strengthen habitat connectivity, increase recreation and hunting opportunities, and advance long-term conservation efforts in Jasper County.

The Neal Smith National Wildlife Refuge is a treasured public resource that provides opportunities for education, wildlife observation, outdoor recreation, and scientific research while preserving Iowa's natural heritage. Expanding the refuge will increase these benefits for future generations.

We respectfully encourage the Board of Supervisors to support this land transfer and do your part to secure the permanent protection of this important landscape.

Thank you for your consideration and your commitment to conserving the natural resources and attractions that make Jasper County special.

Sincerely,
Board of Directors
Friends of Neal Smith National Wildlife Refuge

June 29, 2026

Dear Jasper County Supervisors,

This letter is in regard to the sale of the Van Pilsum family farm in Prairie City, Iowa, to the Iowa Natural Heritage Foundation.

The primary (and, truly, the only) reason we sold the property to INHF was that they would work with the United States Fish and Wildlife Service in order to make the land an addition to the Neal Smith National Wildlife Refuge.

We support the Iowa Natural Heritage Foundation selling the property to the United States Fish and Wildlife Service! We are proud to be able to contribute to the restoration and conservation of Iowa's natural landscape.

Thank you.

Take care,

Barbara Van Pilsum, Trustee

Patricia Van Pilsum, Trustee

William Van Pilsum, Trustee

AVAILABILITY / PRICING

I (We), the undersigned, hereby order from you the Product described on the previous page, to be available as shown. This order is subject to your ability to obtain such Product from the manufacturer and you shall be under no liability if delivery of the Product is delayed or prevented due to labor disturbances, transportation difficulties, or for any reason beyond your control. The price shown is subject to your receipt of the Product prior to any change in price by the manufacturer. It is also subject to any new or increased taxes imposed upon the sale of the Product after the date of this order. Product to be available on or after .

WARRANTY**New, New Demo/Rental Equipment**

Applicable new equipment warranty is available to the customer by a separate statement of Manufacturer's Warranty and Limitation of Liability. Please read it carefully. YOUR RIGHTS AND REMEDIES PERTAINING TO THIS PURCHASE ARE LIMITED AS SET FORTH IN THE WARRANTY AND THIS CONTRACT. IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS ARE NOT MADE AND ARE EXCLUDED UNLESS SPECIFICALLY PROVIDED IN THE MANUFACTURER'S WARRANTY. Remaining new equipment warranty on demo/rental units will be provided per Manufacturer's policy. The customer signature below acknowledges receipt of the warranty statement.

Used Equipment Warranty

Used Equipment is sold AS-IS, WITH NO REPRESENTATIONS OR WARRANTIES unless otherwise noted in warranty column of Purchased Equipment. If extended or Powertrain warranty is noted for used equipment, that warranty will expire based on the Terms and Conditions set forth on the Warranty Contract.

Warranty is defined as a failure or defect in parts and/or workmanship. Upgrades, improvements, wear items, tires, maintenance parts, service call mileage and trucking are excluded. Warranty parts and labor must be purchased from Kruseman Implement, Inc.

ACKNOWLEDGEMENTS

I (We) promise to pay the balance due shown on the reverse in cash, or to execute a Time Sale Agreement (Retail Installment Contract), or a Loan Agreement, for the purchase price of the Product, plus additional charges shown thereon or execute a Lease Agreement on or before delivery of the Product ordered herein. Despite physical delivery of the Product, title shall remain in the Seller until one of the foregoing is accomplished. This is a cash transaction. If the Purchaser so requests prior to acceptance, the unpaid balance will be handled as a Time Sale Agreement (Retail Installment Contract), subject to available financing and credit approval.

ADDITIONAL TERMS AND CONDITIONS

1. When trade-in equipment is not to be delivered to the Seller until delivery of the equipment purchased by this order, the trade-in equipment may be reappraised at the time and such reappraisal value shall determine the allowance made for such trade-in equipment. When the reappraised value is less than the original trade-in allowance shown on this form, the purchaser may terminate this order; however, this right of termination must be exercised prior to delivery of the equipment by Seller and surrender of the trade-in equipment to Seller.
2. In the event the dealer's price is changed prior to delivery, the purchase price shall be adjusted accordingly. If such price change results in an increase, purchaser has the option of canceling this order in writing immediately on being notified thereof.
3. No delivery of above goods to be made until full settlement is received.
4. Seller and manufacturer make no representations or warranties, express or implied (including the implied warranties of merchantability and fitness) except as provided on the Manufacturer's Warranty and Limitation of Liability Statement.
5. The Seller assumes no liability for non-shipment, delay in shipment or other circumstances beyond its control.

2" Polystyrene Insulated Sectional Doors

Amarr 2432 / 2732

Amarr

www.amarr.com

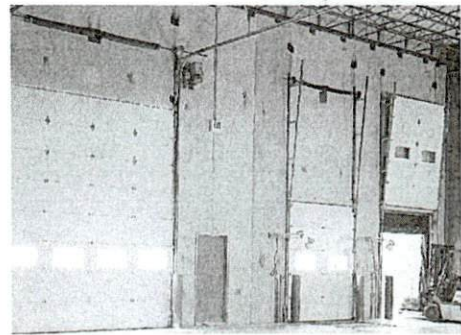

2" polystyrene insulated doors featuring solid steel construction.
Two tough steel skins and an advanced 4-step insulation system make these doors strong and durable.

The Amarr 2432 has an outer skin made from heavy-duty 24-gauge steel and features a stucco embossment with shallow pencil grooves. The Amarr 2732 has an outer skin made from 27-gauge steel with the same panel design and embossment. Both doors utilize heavy gauge steel with stucco embossment for the interior skin.

The 4-step insulation system includes tongue and groove construction, HCFC-free polystyrene insulation, weather-stripping, and a thermal break that provides a strong barrier from extreme heat and cold.

RAPID Rapid Install Vertical Lift: Designed specifically for commercial warehouse and dock doors and saves approximately 20 minutes of installation time per door due to fewer jamb attachments and a pre-assembled, one-piece track.

Available for door sizes up to 9'4" x 10'. For more information, please visit www.amarr.com.

Track: All Amarr doors are available with both 2" or 3" track in Standard Lift, High Lift, Vertical Lift, Low Headroom, and Follow the Roof Pitch. Custom track configurations are also available. For drawings and more information, please visit www.amarr.com.

Springs: Torsion springs are oil tempered, helical wound and custom computed for each door for a minimum 10,000 cycle life. Optional springs are available up to 100,000 cycle life.

Standard Hardware: Galvanized steel hinges and track brackets. All rollers have minimum 10-ball bearings.

COLORS

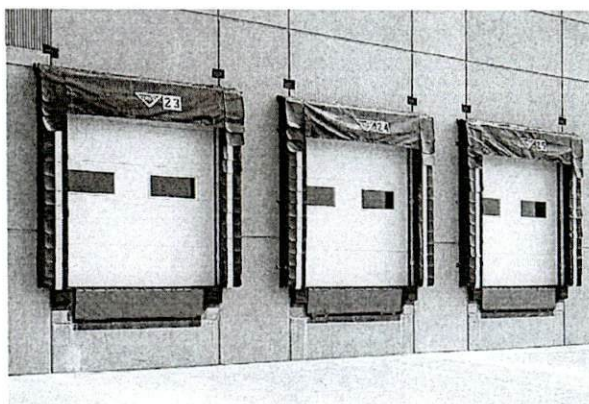

Amarr Color Zone*
Over 800 Sherwin-Williams® SnapDry™ paint colors; approved color list is at amarr.com/amarr_color_zone. Check your local Sherwin-Williams store for paint chips.

*Price upcharge applies.

Amarr steel doors are pre-painted; for custom colors, exterior latex paint must be used. Visit amarr.com for painting instructions. Non-factory painting of doors voids the paint finish warranty.

Amarr participates in the DASMA Thermal Performance Verification Program. The program verifies the thermal performance of a complete sectional door assembly. The lower the U-factor rating, the better the thermal performance.
